

BHP-PIHC CYCLE SKILLS COURSE 2010

Conducted by nationally qualified cycle coaches, Perth Integrated Health Clinic's Cycling Course is an **INNOVATIVE** and **UNIQUE** way of participating in health and fitness whilst gaining cycling skill and a comprehensive knowledge base related to cycling.

Thanks to the generosity of our Major Sponsor for 2010—**BHP Billiton**

The course begins with a **Health Assessment** to take baseline health parameters, followed by an introductory session to ensure bike and helmet fit. Over the 10 week program (x 2 a week) you participate in practical cycling sessions which cover:

- pedalling
- interval training
- hill climbing
- cornering
- sprints
- surges
- group riding
- drafting etc

and also **theory sessions** on:

- nutrition for cycling;
- injury prevention by an Occupational Therapist;
- feet biomechanics by a Podiatrist;
- performance enhancement by an Exercise Physiologist

PIHC practitioners also conduct clinical treatment & bike ergonomics for cyclists at all levels including world champions, national and state level cyclists.

for ALL
skill levels
