**Professional Profile**  
**Anh Nguyen**

**Clinical**

Anh Nguyen is an Associate Occupational Therapist at Perth Integrated Health Clinic (PIHC) and is registered with the Occupational Therapist's Registration Board of Western Australia. She holds a double degree in a Bachelor of Science (Occupational Therapy) and Bachelor of Business Administration from Curtin University of Technology. To individuals seeking personalised and professional spinal muscular care, Anh Nguyen brings a client-centred as well as strategic business approach to the clinic.

**Professional Portfolios**

***Female & Child Health***

Anh specialises in treating childhood spinal muscular conditions and symptoms such as poor concentration, sleeping disturbance, low energy, bedwetting and headaches. Anh holds a fervent passion for paediatric health, motivated by experience working with children with disabilities and academic tutoring. Anh was involved with the recent PIHC women's health workshop; Real Women have Curves and a treating practitioner at the Resolve River Swim, Bicton.

***Corporate Health Co-ordinator***

Anh has been appointed the PIHC Corporate Health Program Co-ordinator as she has a keen understanding of the relationship between health and job performance. Anh is a professional member of the Australian Institute of Management and holds business administration qualifications. Recent clients include Officino Office Furniture and Department of Immigration.

***E-Commerce & Media Co-ordinator***

Anh's adept knowledge and IT skilling developed during her two years in the IT/customer service industry is currently reflected in her information management position as E-Commerce Coordinator at PIHC.

**Personal**

Anh's Vietnamese background provides her with strong family and work values. Aside from Anh's professional interests, she enjoys music and is an avid reader of science-fiction/fantasy novels. Anh also spends her time playing netball, participating in modern dancing classes and supporting Perth's Vietnamese community festivals.
