

**Blair Wardman – Professional Profile**  
**Occupational Ergonomics Consultant**

Blair Wardman graduated from Curtin University of Technology with a Bachelor of Science degree in Occupational Health and Safety. He is now working at Perth Integrated Health as a consultant for Ergonomics. He is qualified in providing assessments and recommendations upon occupational ergonomic environments to assist in injury prevention and causation of neuromuscular based issues to clients of all ages.

Blair has a passion for Occupational Health and Safety and injury prevention and has experience in writing ergonomic and risk assessment reports for a number of different workplace environments though his completion of Curtin University of Technology's Occupational Health and Safety university degree. Blair is an active member of the Safety Institute of Australia.

Blair is currently undertaking a Master's degree of Occupational Therapy at Curtin University of technology to further his intellectual understanding of the Occupational Therapy industry and assist in his professional recommendations with the field of Occupational Health and Safety.

**Personal:**

Blair was born in Australia and attended high school at Wesley College where he currently coaches both tennis and Australian Rules football during summer and winter terms and also coach's junior tennis at South Perth tennis club. Blair personally plays tennis, cricket, and football in his spare time and is an avid supporter of the West Coast Eagles.
