Professional Profile

Danae Beard

Clinical

Danae Beard is an Associate Occupational Therapist at the Perth Integrated Health Clinic. She holds a Bachelor of Science in Occupational Therapy from Curtin University of Technology and is a member of Sports Medicine Australia.

Role at PIHC

Danae is qualified with assessment and treatment of neuromuscular based conditions. Assessment includes postural assessment and EMG thermal scan. She provides static hands on treatment and also uses the innovative systems the Huber and Key Module for patient wellness. Danae also runs community education seminars and information nights.

Professional Portfolios

PIHC Cycling Club

Danae has been appointed the PIHC Cycling Club Coordinator as she has a keen interest in cycling for fitness and neuromuscular wellness care. The PIHC cycling club welcomes cyclists of all ages and fitness levels and normally operates twice weekly. Danae works in synergy with Roger Knight the Cycling Specialist.

Sports & Huber

Danae is appointed Huber & Sports Coordinator at PIHC and she assists in the management of sporting clubs and neuromuscular care, focusing in on performance enhancement. Current clubs in the portfolio include Northern Districts Gymnastics Club (NDGC), Western Australian Institute of Sport (WAIS) gymnasts, Western Sprints Swimming Club and Kalamunda Swimming Club. A particular focus is placed on the Huber system and Key Module Endermosports applications. Danae is a professional member of Sports Medicine Australia.

Corporate Health

Danae is developing and further evolving PIHC's corporate health services.

Country Practices - Cunderdin

Danae is involved in providing treatment services to patients at PIHC Cunderdin.

Personal

Danae grew up on a farm in Meckering. She attended primary school in Meckering and boarded at Swanleigh Residential College and attended Governor Stirling for high school. Danae has always had an active lifestyle, playing all types of sports. Danae still enjoys being active – she plays netball, hockey and enjoys running and cycling. She spends her other leisure time socialising with family and friends.
