

## **JULIAN MANCINI**

### **Occupational Therapist**

#### **Professional Profile and Services**

Julian graduated from his Masters of Occupational Therapy at Curtin University of Technology. He now works as an Occupational Therapist at Perth Integrated Health Clinic providing hands on treatment for neuromuscular based problems. He is qualified in the assessment and treatment of neuromuscular based issues with a goal to improve function in individuals. Due to his Exercise Physiology background, Julian has an interest in performance enhancement amongst high level athletes and from his high level understanding of sport and exercise he works closely with individuals using hands on treatment to produce correct biomechanics within the body through manipulation of the soft tissue.

#### **Practitioner Profile**

Julian Mancini completed his degree in Sports Science at Edith Cowan University in 2006 and has completed his Masters of Occupational Therapy at Curtin University. Julian is passionate about sport, especially basketball, which he currently plays for the Perry Lakes Hawks in the West Australian Basketball League (WABL). He has worked with Subiaco Lions Football Club as a sports trainer with the league side.

Julian is experienced in a gym setting as a personal trainer working with clients to rehabilitate injuries, improve fitness/health and specializing in the prevention of Osteoporosis. He has also worked as an instructor for hydrotherapy classes at the Arthritis foundation.

In his spare time he enjoys playing soccer, mixed netball and previously participated in swim squad. Julian is very active and enjoys many different pursuits, including cooking which he learnt while in Italy.
